

## *Escape into a Book*

*I'm contained in a world of fairy tale.*

*I am a twisty, curvy trail  
leading me to Nancy Drew.*

*I am tiny and everything grew,  
Alice draws me into her world  
where Wonderland was whirled.*

*Harry Potter got the snitch  
during his debut game of Quidditch.*

*When others are out on Fridays  
I'll be home reading, always.*

*Some people like to be free  
"I like a quiet life, you know me."*

*What has been unsaid  
has likely been read.*

*Even if you want to try;  
you can't get me out of books I buy.*

*Escape into a reading nook  
and curl up with an exceptional book!*
